Livin' in the Ocean State: 2011

Summer is bliss in Rhode Island. The sailing is great (teams from Roger Williams, Brown, and URI [won national championships](#)) and Newport is a world-class vacation destination, recently featured in the [New York Times](#).

On the horizon: the famous [Newport Jazz Festival](#) (headliners include Wynton Marsalis, Trombone Shorty, and Esperanza Spalding) and [Folk Festival](#) (headliners include traditionalists like Emmy Lou Harris and Earl Scruggs, plus quirkier choices like Gogol Bordello and the Decemberists).

And, of course, there is the wacky [Fourth of July Parade](#) in Bristol (been having them for 200+ years!).

Here are some fun pics from that uniquely small town RI event.
